I was pleasantly surprised to find that it has a decent story and is played out nicely being interspersed by brutal but realistic fight scenes. The tension is kept up by some good storytelling without you having to think too hard. Definitely worth a watch and will have me curious to see if Mr. Adkins and co can reproduce it again, maybe next time with a few more twists.kme-194-438558May 31, 2019Suggest an edit or add missing contentWhat is the Japanese language plot outline for Avengement (2019)?AnswerBack to topYou have no recently viewed pages Published: Published Date - 09:05 PM, Sat - 9 July 22 Mumbai: Ever since the makers of Mani Ratnam's upcoming film, 'Ponniyin Selvan' released the teaser of the historical drama, netizens have started comparing it with S.S.
